Ferns, Asparagus, Palms, Etc.

GROWN BY

H. PLATH

Union Nursery

510 WYOMING AVE.,

Tel. Church 2415

P. O. Station "L"

SAN FRANCISCO, CAL.

In presenting my price list, I take the opportunity of thanking my customers for past favors, hoping to receive their patronage in the future.

My stock of Ferns is this year especially fine.

My terms are strictly cash, as my prices are so low that I cannot afford to risk credits. If plants are sent C. O. D., one third cash must accompany the order. Remittances may be made in registered letter, P. O. Order, Express Money Order, or Check payable at any San Francisco Bank.

Packing and Cases are furnished free of charge and goods are delivered free on board of cars or boats in San Francisco.

All plants are sent without pots, unless otherwise ordered, when charges will be made for cases and packing at cost price.

When ordering, please state whether goods are to be sent by Mail, Express or Freight.

I warrant all plants and cuttings, sold by me to be true to name, and in healthy growing condition at time of shipment, but am not responsible for any damage or loss that may occur while in transit, nor do I assume any responsibility in regard to purchasers success in cultivation of plants.

If any errors should occur please notify me at once and I will make such correction as will be satisfactory.

To reach Nursery take the San Francisco and San Mateo electric car for Ocean View.
